

Daniel Is Trapped

The very bad men	<i>(Wag index finger back and forth.)</i>
Were watching to see	<i>(Hands shading eyes.)</i>
What Daniel would do.	<i>(Index finger to cheek with a questioning look.)</i>
Would he open his window	<i>(Spread arms open wide as if throwing open a window.)</i>
And fall on his knees	<i>(Kneel down.)</i>
The way he always used to?	<i>(Stand up.)</i>
There's Daniel's window;	<i>(Point into the distance.)</i>
It's opening wide.	<i>(Spread arms open wide.)</i>
He's kneeling— what will he say?	<i>(Bow head and kneel.)</i>
Dear Father in heaven,	<i>(Fold hands and look upward.)</i>
I love You so much;	<i>(Cross arms over chest.)</i>
Only to You will I pray.	<i>(Point upward.)</i>

Continued *Daniel Is Trapped*

The very bad men

Ran quickly away.

(Stand up and run in place.)

Hurry. They must let
the king know

That Daniel had prayed

To his God up above.

(Point upward.)

So into the lions' den
he must go.

(Hands up to face like lion's claws.)

We Pray All Day

Pray when the sun
comes up in the morning.

(Stretch arms as if waking.)

Pray when it's mealtime, too.

(Fold hands and close eyes as if in prayer.)

Pray again
when you're ready for bed.

(Fold hands together and rest head on them.)

Pray everywhere
and in all that you do.

(Arms over head in big circle.)
